Sited-Based Team Minutes
March 14, 2016

Participants: Tina DeSa, Ann Gabel, Jean Nemes, Anna Van Etten, Kelly Krakowski

Absent: Tori Brandenburg

- Kindergarten Academy dates are tentative for July 11-15, 2016. Staffing is being worked on.
- Second grade trip has been scheduled and the paperwork has been processed.
- We continued our discussion on lunchroom procedures. Mrs. Krakowski received feedback from parents in the community and other members are still waiting to hear back from people in different school districts. There will be no changes for this school year but there will be changes made in the Student Handbook for the upcoming school year. Dr. DeSa is discussing this at the PTA Meeting on March 15, 2016.
- Dr. DeSa informed the team that the building-level Health and Wellness Committee created a survey regarding how staff felt about food in the classroom. Copies of the results were handed out and discussed at the meeting. The team members suggested having a brief survey put on the webpage for parents to take. Parents would be notified via school messenger or by a memo sent home with their child. Dr. DeSa will bring this up at the April PTA Meeting.
- Our next Site Based Team Meeting will be held on April 11, 2016
