May 16, 2016

Participants: Michele Brenner, Tina DeSa, Ann Gabel, Jean Nemes, Anna Van Etten, Kelly Krakowski, Tori Brandenburg

- We discussed the changes made to the student handbook for the upcoming school year (work in progress). We discussed the changes in the food related parts of the student handbook, health services section, parent involvement section, birthday parties and other celebrations. Dr. DeSa will get feedback from parents, health and wellness committee and teachers.
- We talked about the strategy: Safe, Healthy, and Caring Schools and where we are with this strategy. Staff will be asked to participate in a short survey regarding what has been done so far and if it has met their expectations.
- We reviewed the status of the strategy regarding math instructional materials. The target for this strategy has been met.
- One of our parent members brought to the team that many parents were unhappy with the spring pictures and feel they should be eliminated or possibly switching to another company. Dr. DeSa will contact our district office to see if we can eliminate the spring pictures.
- We will hold a Site Based Team Meeting over the summer on August 26th from 9:00 – 12:00 PM.

Our next Site Based Team Meeting will be held on June 13, 2016
