- Superintendent Search Update—Lois shared that the Board of Education is still working on selecting the next superintendent. They are meeting again in executive session on Monday, June 13.
- Membership Changes for Next Year—
 - Justin will have to be replaced by the new Student Government President;
 - Julia will need to be replaced by a new student representative;
 - Mark will need to be replaced by a new secondary teacher;
 - We still need a new Nassau rep;
 - The principals will see if anyone would like to serve.
- Open Agenda—Justin raised two issues. The first was about making up PE classes at the High School. Lois said that would need to be addressed by the HS Site Team. The other was a suggestion that students be asked to evaluate their teachers. We discussed the pros and cons and said that calling it feedback would make it more likely to happen, as teachers are legally evaluated by their principals. Lois will discuss the concept with the administrators and will put the item on the District Council agenda for the first meeting in the fall.
- Next Meeting: September 27 at 3:15 at Nassau
