- Dr. DeSa discussed the new dismissal procedure that was implemented in the New Year. Dr. DeSa asked parents what they thought of the new dismissal procedures and she received positive feedback from parents. Staff and students also like the new procedure.
- Dr. DeSa and Mr. Farrell held a Principals Coffee on 1/19/16 and the topic of the Parent Survey was brought up. Both principals let parents know that the results were on the District main page for the public to see.
- We discussed a parent concern regarding if parents needed to have a background check to chaperone on field trips. They do not but must be Board approved.
- The team revisited the procedure of having parents come in during lunch time to have lunch with their children and also bringing in outside food.
- Dr. DeSa let the team know that she is going to bring to the District Health Committee the concerns of a parent regarding the amount of food in the classrooms.
- There was a discussion regarding the scheduling procedure for Kindergarten Fun Day and whether we should continue hosting it. The consensus is that this should continue.
