

May, 2017

Dear Students and Parents/Guardians:

Our Regents/Final Exam period is fast approaching. The last day of regular classes is Wednesday, June 7, 2017. Our Regents/Final Exams start on Thursday, June 8th and continue until Wednesday, June 21st.

For your convenience, we have enclosed copies of the Regents/Final Exam and the Transportation Schedules. Students have been notified of their individual Regents/Final Exams in their classes. As a reminder, attendance for these exams is mandatory and necessary for course credit.

The test schedule as well as the transportation schedule will be posted on our website.

Students who attend CTI at BOCES, the last day of transportation is Monday, June 13th.

Additionally, New York State requires that students in designated classes participate in Field Testing. The classes selected by NYS for this May are as follows:

English Common Core
Physics
US History

We will make every effort to arrange for the completion of field testing with as little interruption to regularly scheduled classes as possible.

If you have any questions, please feel free to contact the main office at 463-7810.

Sincerely,

Steven J. Malkischer
Principal
