

**SPACKENKILL MUSIC BOOSTERS
POINSETTA SALE**

Dear Music Parents,

The Music Boosters of Spackenkill will be purchasing poinsettias to decorate the stage of your child’s concert. For a suggested donation of \$10, these poinsettias could be taken home to decorate for the holidays!

The poinsettias are 6 ½ ” plants from Adams’ Fairacre Farm. They will be offered in both RED & WHITE. Please make your checks payable to the Music Boosters of Spackenkill. Your donations will help fund activities for the music department.

Please specify the evening your child will be performing below and your order will be available after the concert. As always, thank you for your support of music in Spackenkill. Please feel free to contact us if you have any questions.

Sincerely,
Music Boosters of Spackenkill
