MARCO LANZONI
Director of Physical Education
Health & Athletics

November 26, 2016

Dear Spackenkill Track and Field Record Holder,

The Spackenkill Track and Field program would like to invite you to a special ceremony unveiling of our new track and field record board. We want to recognize you for your outstanding individual accomplishment and contribution to our track and field program.

The recognition program and record board unveiling will take place at half-time during the Varsity Boy's Basketball home game on January 17, 2017. The game starts at 5:45 PM and half-time will be at approximately 6:30 PM.

Prior to the ceremony, we invite you to attend a dessert reception in the Spackenkill High School cafeteria at 5:30 PM. We plan to announce each record holder in attendance at halftime so we will take roll call during this reception.

I am hopeful that you will be able to participate in the recognition of our track and field record holders on January 17th. **Please RSVP prior to December 30, 2016 (845-463-7824 or marco.lanzoni@sufsdny.org).**

Sincerely,

Marco R. Lanzoni
Director of Athletics
